- **Note of thanks-** I'd like to thank all of you for your calls, texts, cards and especially your prayers during the time of my mother's injury, illness and her eventual passing. She loved this church family very much. To those of you who travelled to Stephenville, you will never know just how much your presence meant. Glen and I are so blessed to be part of this loving church family.

Thank you again,
Glen and Tricia Gary

To help ensure the safety of our staff and others who may in the building throughout the week, we have installed a camera/intercom system at one of the main doors on the east side of the building (under the canopy).

When you arrive, simply touch the pad and swipe up to notify us that you're here and we will let you in. Please note that this door will remain open as usual during regular church service times
